## Getting Married ?

# Getting Married in the Anglican Parish of Clevedon

---

A wedding is one of life's great moments, a time for good wishes, feasting and joy. We would be glad to rejoice with you on your day.

We believe marriage is a sacrament of the church and a public commitment of love made ,before God, with the support of friends and family. It is a time of celebration and commitment.

Your wedding is not the endpoint of your preparation but the start point for your marriage—a marriage that with grow over time, with God's help, from the love you have for each other .
