

ANGLICAN PARISH OF CLEVEDON

"A Christ - Centred Community of Extravagant Welcome and Radical Hospitality"

Remaining a Community of Faith in a time of Pandemic

After Sunday 22 March, public worship is suspended until the immediate impact of the COVID-19 Pandemic has passed. This presents us with some interesting challenges for remaining in community and connecting to our faith.

Please help us by filling out this form, so that we can check we have your most up to date contact details. We will be in touch this week to advise how worship will be made available remotely.

Please pray for each other and our communities as we navigate these uncharted waters. We do so in the company of Christ, who stilled the storm.
